IMG03 OAK
IMG04 CHESTNUT
IMG05 TEAK
IMG06 CHERRY
IMG07 MAHOGANY
IMG08 WALNUT
IMG09 DARK WALNUT
IMG10 GREEN
IMG11 WHITE**

*For greater protection against UV rays, it is advisable to use the colored version of the IMG-series impregnating agent.
**To increase the stability of the color, it is advisable to overcoat with a top coat from the FN series.
**On woods that contain tannin, such as oak and chestnut, the color may be toned down.

USAGE ON NEW WOOD
Wooden frames, shutters, fences, balconies and other wooden items located outdoors, interior furnishings, beams and attics.

APPLICATION

USAGE ON NEW WOOD
- The wood must be clean and dry, and free from dust, oils and products that may limit adhesion.
- Sand with 150/180-grain sandpaper.
- Mix the product thoroughly and apply using a brush (with synthetic bristles).
- After 2-4 hours, apply if necessary a second coat of product or a coat of wax-like impregnating agent/top coat from the IMR series, or a top coat from the FN series. In the case of interior furnishings, apply one or two coats of transparent top coat from the FFT series.

USAGE ON PRE-COATED WOOD
- Sand with 100/120-grain sandpaper until the complete removal of the pre-existing coating.
- Complete the sanding with 150/180-grain sandpaper.
- Remove the sawdust.
- Mix the product thoroughly and apply using a brush (with synthetic bristles).
- Proceed as stated above in relation to usage on new wood.
- On wood previously treated with the same product, which has not yet degraded, clean the surface, sand lightly with 180-grain sandpaper, remove the sawdust and proceed with the application of the impregnating agent.
CHEMICAL/PHYSICAL CHARACTERISTICS
Specific weight: 1.01-1.13 g/ml
Viscosity: 20.000 - 30.000 mPa.s a 1rpm

POINTS TO NOTE
Keep from freezing. Store at temperatures between 5°C and 35°C.
Mix well before use.
Apply at a temperature above 10°C with relative humidity below 75%; temperature and humidity influence the stated drying times.
If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Dispose of contents and container in accordance with local, regional, international regulations.

NOTES

SAFETY RECOMMENDATIONS
